Membership/Liability

1. Please provide information and proof that you belong to a disabled skiing club, association, from your country that provides insurance for your activities.
2. All participants must sign up and be current members of (disabled skiers association of BC and Cads) you can do this by visiting www.disabledskiingbc.com
3. The Academy requires that you attain additional appropriate accident and medical insurance that covers you completely for all activities that you will be doing whilst training and racing with Academy programs. You can check with your local ski associations for information on insurance policies available.
Please provide insurance information below and bring insurance documents with you.
